

Penelope Cruz models the summer wardrobe for Lindex

In the third and last campaign for Lindex, Penelope Cruz models a summer wardrobe collection, which is perfect for everything from beach life to cool summer

The colour range includes the classics white and navy, together with red, green and orange as well as elements of neon colours. Stripes and paisley dominate the pattern range and key items include beach tunics, striped tops, shorts and maxi dresses.

"This is "the" holiday collection! We have continued the popular modern preppy style with a playful twist for our Holly & Whyte collection this summer. And I am convinced that it will be just as well appreciated by our customers as the earlier collections from Holly & Whyte," says Nina Starck, Design Manager at Lindex.

The garments will be available in all Lindex stores and on www.lindex.com from 20 May.
